Vol. 2, Issue 1 July

Class is back in session

In the summer time many of us are taking vacation, lying out on beaches, or working part-time jobs. Meanwhile, the students from the College Bound program will be attending classes at Burlington County College from June 30 through August 1, 2008. These selected students are not only committed to their education from September to June. They have also signed up to take classes for five-weeks in the summer. The 11th and 12th graders will be participating in a three-credit college course entitled **physical science 107**. The 10th grade students will be taking enrichment courses such as; **computer graphics, creative writing, statistics and public speaking**. **All students will also take an intensive Study Skills course.**

That's Incredible!!!

This Program is funded through the New Jersey Commission on Higher Education and BCC
