

COLLEGE BOUND PROGRAM AT BURLINGTON COUNTY COLLEGE

Out with the old in with the New !!!

Just because school has begun we will still continue with the college bound fun. Reflecting back on the summer months the students were inundated with homework, class schedules, and exams. Now that the school year is back in session students will continue to focus on class schedules, exams, and much more. However, the College Bound Program will attempt to lighten the load, giving the students an opportunity to focus on SAT/ ACT prep courses, college visits, cultural events, and 1:1 academic advising. All you have to do is mark the date on your calendars and show up!!!! The staff will take care of the rest.
