Advantages of Drexel at BCC

- **Quality Education**
 - Courses taught by Drexel's experienced, professional faculty, leading to a degree from Drexel University.
- **Financial Savings**
 - Scholarships and need-based grants available for full-time students. Federal and state funding available for part-time study.
 - **Dean's award:** Students who earn a 3.2 GPA or higher can earn up to 15,000 per year in a Dean's award Scholarship.
- **Convenience**
 - All required Drexel courses may be available in the day or evenings at the Mt. Laurel Campus.
- **Co-Operative Education**
 - Enables full-time undergraduate students to balance classroom theory with practical experience prior to graduation.
